CP2018 Workshop on Constraints & AI Planning
Call for Abstracts

The CP2018 Workshop on Constraints and AI Planning will take place on August 27, 2018 in Lille, France as part of the CP2018.

Please submit an abstract on the intersection of constraint-based techniques (interpreted broadly to include mixed integer programming, SAT, SMT, etc. as well as CP) and AI planning.

Dates
Abstract submission: July 6, 2018
Notification: July 10, 2018
Workshop: August 27, 2018
